Subject line: **Invite to learn about a critical issue in Connecticut**

You're invited to a forum to view and discuss the CPTV documentary Education vs. Incarceration: The Real Cost of Failing Our Kids on **DATE**, at **TIME**, at **PLACE**.

Connecticut is one of five states to spend more on prisons than on higher education. This short film highlights youth programs aimed at changing that statistic. These education and justice issues affect every single Connecticut resident. The forum will focus on reducing school-based arrests, addressing truancy and recognizing how some kids are denied opportunities and treated more harshly simply because of their race/ethnicity.

RSVP to **YOUR EMAIL**.

We hope you'll come be part of the solution!
